

# Oceans Development 2024/25

## Programme Structure

Oceans Development is offered as an additional programme for Junior members who are confident in the ocean environment and aims to take skills and confidence in the water to the next level. Join our dedicated athlete coaches to develop your surf sports skills, be part of a fit and friendly community, and ready yourself for exciting competitions. Oceans development is a group where kids of varying ability levels and ages come together to learn, grow, and excel!
